1 - group

Register
to YogaPartout

Choose the following group: "Je suis mon propre professeur" and we will make sure to include you in one of the eight groups that resides here on this site.

Invitations

There are three registration levels on this site.

At the moment, all registration processes are handled in French. We believe that the english services yogapartout (i.e. via the new domain name we acquired Satoshi.Yoga magazine will soon be sovereign.

We want and are working toward publishing yoga quality content produced by experienced yoga teachers in eight languages.

Here is the first step. A small one for human eyes and a huge one for unity.

Level 2 - YogaPartout Info letter

The info letter is also **multi-leveled**. What you need to remember is this

This site is a [Wiki Groupware](#) (see the co-founder's video/community Tiki page). It is evolving, adapting, ever changing... like a "Modelling Clay". It has all the same functionalities than those "huge professional commercial sites" except that we do look after our yoga community first and foremost, profits are not our only concern.

Recommendation

We advise all newcomers to begin by the beginning and [choose the free info letter registration](#). Once you joined YogaPartout via our registration system, once your connected, you will discover new info letters invitations. To name them would be of topic. Instead, we invite you to [keep an eye on this list](#) as it shows the main groups you will be able to join. These groups are the writers on this web site... and more. Bellow in the carroussel that shows you the names of the yoga writers currently active in the production of the magazine we publish. It will lead you to registration, or if you prefer, you can [click here](#).
